

Broken String Blues

[Music and lyrics: Tero Arteli]

When I was born, I was two years old
and we had no one home at that time.
When I was born, I was two years old
and we had no one home at that time.

I had a guitar in my hand
but just one string was broke.

When I went to school and I was six
there were no one in that school but me.
When I went to school and I was six
there were no one in that school but me.

I had a guitar in my hand
but just one string was broke.

I joined a blues band when I was twelve
'cause there's nobody else to play.
I joined a blues band when I was twelve
'cause there's nobody else to play.

I had a guitar in my hand
but just one string was broke.

I made my first record when I was twenty
'cause there were no one else to make it.
I made my first record when I was twenty

'cause there were no one else to make it.

I had a guitar in my hand
but just one string was broke.

....

I had a guitar in my hand
but just one string was broke.
