

## Burn Out

(Tero Arteli 12.11.2003)

My baby got a burnout, she only wanna rock'n'roll.

She don't want to work, it's better just a rock'n'roll.

She won't give a dam what I said,

She won't give a dam 'bout hole world.

It's about the time – to do something,

It's about the time - to rock'n'roll.

SHE WANNA ROCK'N'ROLL

If she ever get well, she still wanna rock'n'roll,

'cause she sure know now, it's better just a rock'n'roll.

She won't give a dam what people said

She won't give a dam 'bout hole world

It's about the time – to do something,

It's about the time - to rock'n'roll.
