

Sea of lies

(Tero Arteli 17.8.2004)

Tell me who do you love when night get to dawn,

I have a secret that I ain't share with you.

Help me find right answers for this trouble I have,

I'd like to tell you but I just could'nt do.

No one survive of this sea of lies,

We both gonna sink under neath.

This merciless time wouldn't help to anyone,

Hold me tight when is time to go on.

Why didn't we talk early enough for our love?

We couldn't save anything anymore.

We didn't see how it work we were just began,

If there's next time I will be more wise.

No one survive of this sea of lies,

We both gonna sink under neath.

This merciless time wouldn't help to anyone,

Hold me tight when is time to go on.

Tell me who do you love when night get to dawn,

I have a secret that I ain't share with you.

Help me find right answers for this trouble I have,

I'd like to tell you but I just can't do it.
