

If I can walk on the moon

(Music: Joni Bäcklund, Lyrics: Tero Arteli, Patrick Houbaux 17.10.2004)

Every night you see it in the sky

And it makes me feel a nerv

I long to see it closer

I can make it some day

If I can walk on the moon

It makes my dreams come true

Hundreds of men have tried

Going through work and sky

I just want to give it a try

I know my wife will cry

If I can walk on the moon

It makes my dreams come true

One day I know I'll be there

Leaving this sad and strange earth

If I can walk on the moon

I might loose my mind

But I'm not gonna be blind

If I can walk on the moon

It makes my dreams come true
